Item 1.01 Entry into a Material Definitive Agreement.

On December 17, 2009, St. Mary Land & Exploration Company (“St. Mary” or the “Company”) entered into an agreement with Legacy Reserves Operating LP to sell certain non-strategic oil properties located in Wyoming for \$130 million in cash. These assets represent a portion of the Company’s previously announced Rockies oil divestiture package. The agreement has an effective date of November 1, 2009, and is anticipated to close in February 2010, subject to customary closing conditions.

This report contains forward looking statements within the meaning of securities laws. The word “anticipate” and similar expressions are intended to identify forward looking statements. Although St. Mary believes the expectations reflected in these statements are reasonable, it can give no assurance that they will prove to be correct. These statements involve known and unknown risks, including the pending nature of the reported divestiture of non-core oil and gas properties as well as the ability to complete the transaction, the uncertain nature of the expected benefits from the divestiture of oil and gas properties and other such matters discussed in the “Risk Factors” section of St. Mary’s 2008 Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q filed with the SEC. Although St. Mary may from time to time voluntarily update its prior forward looking statements, it disclaims any commitment to do so except as required by securities laws.
